Romans 3:1-2 – “Use Your Advantage”

**Synopsis:** One of the greatest advantages the Jews had, and that Christians have, is the Bible, the very oracles of God! Let’s take advantage of this great gift and stewardship of God’s unique revelation!

### **Into the Bible**

1. Describe your understanding of how God inspired the Bible in such a way that they were his words being written.
2. The sermon said God has spoken all we need to know. What does that mean? How does Deut. 29:29 relate to that?
3. What is the difference, if any, between the Bible “containing” the oracles of God versus the Bible “being” the oracles of God? How does that matter?

4. What is the relationship between the inscripturated word (the Bible) and the Incarnate Word (Jesus)?
5. How is possessing the Bible a “stewardship”?

### **Application**

6. How important is the Bible in your own spiritual walk in comparison to prayer, fellowship, worship songs, devotionals, etc?
7. Have you read the whole Bible? Are there parts you find intimidating? Why?
8. What is your current Bible reading/study regimen like? How do you find it beneficial?
